SPHERE OF INFLUENCE REVISION (RSOI-162)**

Dear Mr. Fey,

In response to your request for school district information regarding the above "Sphere of Influence Revision" and "Pinedale County Water District Reorganization" for the accurate determination of water service boundaries, Fresno Unified School District submits the following.

The subject area is presently within the attendance boundaries of the schools identified below.

- | | |
|-----------------------|--|
| Elementary School(s): | Kratt (detail area south of W. Herndon Ave. and west of N. Blackstone Ave.)
McCardle (detail area south of E. Herndon Ave. and east of N. Blackstone Ave.) |
| Middle School(s): | Tenaya (detail area south of W. Herndon Ave. and west of N. Blackstone Ave.)
Ahwahnee (detail area south of E. Herndon Ave. and east of N. Blackstone Ave.) |
| High School(s): | Bullard (detail area south of W. Herndon Ave. and west of N. Blackstone Ave.)
Hoover detail area south of E. Herndon Ave. and east of N. Blackstone Ave.) |

The remainder of the area falls within the boundaries of Clovis Unified School District (detail area north of Herndon Ave.).

Sufficient capacity is available at the assigned schools with the exception of Bullard High School, which is currently near capacity. There are no pending proposals or building plans that would cause overcrowding. There is no agreement currently between the District and the City of Fresno relating to the provision of school facilities as a result of any overcrowding.
