Dear Mr. Green:

Subject: MSR 21- 6 Recommendations and Follow-up Actions

On May 12, 2021, LAFCo approved the Westside Resource Conservation District ("District") Municipal Service Review ("MSR") prepared for the District in compliance with Government Code §56430 and §56425.

At this hearing, the Commission observed that the District does not have any employees, a governing body, a mission, or a Long-Range Plan. Therefore, the Commission removed the District from the 2007 consolidated sphere of influence ("SOI"). No SOI was determined for the District.

The Commission acknowledged the District's 2015-01 resolution requesting LAFCo to dissolve in accordance with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. Enclosed is a copy of the Commission's resolution for its adoption of the District's MSR. The Commission's recommendation to the District are listed below:

- A. Direct the District to make substantial progress within **six months** on reactivation of the Westside RCD or modification of the District such as consolidation with the Tranquillity RCD. *(added at the May 12, 2021 hearing)*
- B. That the Commission set a public hearing for dissolution proceedings and approve and order the dissolution without an election or protest proceedings pursuant to pursuant to GC. Sec. 57077.1(c)(1).

Please be advised that failure to perform task [A] or to provide Fresno LAFCo with a record of a timely completion may result in the Commission scheduling a hearing to initiate the dissolution proceeding.

The complete MSR report can be viewed on Fresno LAFCo's website at: <http://www.fresnolafco.org/MSR%20Reports.asp>.

RESOLUTION NO. MSR 21-6

A RESOLUTION OF THE FRESNO LOCAL AGENCY FORMATION COMMISSION MAKING DETERMINATIONS AND ADOPTING A MUNICIPAL SERVICE REVIEW FOR THE WESTSIDE RESOURCE CONSERVATION DISTRICT

WHEREAS, pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 ("CKH"), the Fresno Local Agency Formation Commission is required to review and update, as necessary, spheres of influence ("SOI") of local agencies not less than once every five years; and

WHEREAS, on August 20, 2019, the Tranquillity Resource Conservation District ("District") submitted an application (File No. USOI-194) and supporting materials to this Commission pursuant to Government Code section 56428 requesting LAFCo an expansion of the District SOI that would facilitate the planned, orderly, and efficient growth of the District; and

WHEREAS, the District's SOI update application No. USOI-194 triggered a simultaneous review of LAFCo's 2007 consolidated SOI of the five Resource Conservation Districts ("RCDs") in Fresno County's west side: Firebaugh RCD, James RCD, Panoche RCD, Poso RCD, Tranquillity RCD, and Westside RCD; and

WHEREAS, the objective of the 2007 consolidated SOI for the RCDs was to facilitate the eventual consolidation of Fresno County's westside RCDs; and

WHEREAS, the LAFCo's review of the 2007 consolidated SOI for the RCDs notes that it has not served its original objective as proposed by LAFCo; and

WHEREAS, CKH directs the Commission to conduct a Municipal Service Review ("MSR") no later than the time it considers an action to either determine, amend, or update a SOI for a local agency; and

WHEREAS, the Executive Officer prepared MSRs for Tranquillity RCD, Firebaugh RCD, James RCD, Panoche RCD, and Westside RCD, in response to Tranquillity RCD's request for a SOI update, published the MSRs on the Commission's website, and provided a mailed 21-day public notice to all affected local agencies within the affected territory; and

WHEREAS, notice of the Commission hearing for the District SOI update and update of the 2007 consolidated SOI for the RCDs was duly given in a publication of general circulation as required by CKH, at the time, in the form, and manner provided by law; and

WHEREAS, the Executive Officer reviewed said application and prepared a staff report to the Commission, including a recommendation for approval, said report having been mailed to each affected local agency within the affected territory and interested individuals pursuant to Government Code section 56428(c); and

WHEREAS, at the duly noticed public meeting, held on May 12, 2021, the Commission heard, discussed, and considered all relevant evidence, including but not limited to the MSR's determinations and recommendations, environmental review documents, and all testimony, correspondence, and attachments received during the public hearing process.

NOW, THEREFORE, BE IT RESOLVED that the Fresno Local Agency Formation Commission does hereby **DETERMINE AND ORDER**, as follows:

ACTION 1: MUNICIPAL SERVICE REVIEWS

- A. Acting as Lead Agency pursuant to California Environmental Quality Act ("CEQA") Guidelines find that the MSR's prepared for: Tranquillity RCD, Firebaugh RCD, James RCD, Panoche RCD, and Westside RCD are Categorically Exempt from the provisions of CEQA under section 15306, "Information Collection."
