**The Fresno Local Agency Formation Commission (LAFCo) is a State-mandated, independent agency with countywide jurisdiction over changes in organization and boundaries of cities and special districts including annexations, detachments, incorporations, and formation of new special districts. The Cortese-Knox-Hertzberg Local Reorganization Act of 2000 establishes procedures and responsibilities for the LAFCos. As a regional planning agency, LAFCo plans through its adoption of spheres of influence (SOI) for each agency under its purview, and updates each SOI through the Municipal Service Review Program. Through its various authorized powers, LAFCo remains connected with the various special districts listed below.**

**Directory contact information is updated on an as-needed basis. Please call or email LAFCo staff with any information update requests at (559) 600-0604.**
