Project Description (Omit if Negative Declaration has been filed): <p>A reorganization submitted by the City of Clovis to annex 162.39 acres to the City of Clovis and detach from the Fresno County Fire Protection District and the Kings River Conservation District for territory located on the northwest corner of East Shepherd and North Sunnyside Avenues. E201810000117.</p>			
Justification for Determination (Omit if EIR Not Required and See Negative Declaration): <p>As Responsible Agency pursuant to the California Environmental Quality Act (CEQA), this Commission hereby makes the following findings pursuant to CEQA Guidelines to approve Shepherd-Sunnyside Northwest Reorganization ("Project"). This Commission finds that it complied with the requirements of the California Environmental Quality Act (CEQA) section 15096 <i>et seq.</i> by independently reviewing and considering the environmental effects of the Project as presented in the environmental studies prepared by the Lead Agency, prior to reaching a decision on the Project. Using independent judgement and after considering the entire public record, this Commission did not identify any feasible alternative or mitigation measures within its power that would substantially lessen or avoid any significant effect the project would have on the environment. This Commission finds that prior to reaching a decision on the Project it considered the Mitigated Negative Declaration prepared and adopted by the Lead Agency.</p>
