Subject: Request by DR Horton to continue to September meeting

Good Morning, Dave

The City of Sanger does not have any issues or concerns related to DR Horton's request to continue the item to LAFCo's September meeting on September 9, 2015.

If you have any questions, please feel free to contact me.

Subject: RE: Sanger Water Update

Good afternoon, Dave. We would like to request that consideration of our annexation application be continued until the next regular LAFCO meeting in September. This time will allow us to further satisfy our due diligence responsibilities, which we hope to complete by the time our annexation item is considered. Please let me know if you have any questions regarding our request or if there will be any issues. Thank you.

Sincerely,

Richelle C. Cariño
