**SUBJECT: Notification of Inactive Special Districts in County**

Dear David E. Fey:

Chapter 334, Statutes of 2017, also known as Senate Bill (SB) 448, added various provisions to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 regarding special districts that are inactive. It requires the State Controller's Office (SCO) to create a list of inactive special districts based on information in the special district's Financial Transactions Report (FTR), to publish the list of inactive special districts on its website annually, and to notify the local agency formation commission in the county or counties in which the inactive special district is located.

Pursuant to Government Code (GC) section 56042, an "inactive special district" must:

- Meet the definition set forth in GC section 56036;
- Have no financial transactions in the previous fiscal year; and
- Have no assets, liabilities, outstanding debts, judgments, litigation, contracts, liens, or claims.

Pursuant to GC 56879, within 90 days of receiving this notice, the Commission is required to initiate dissolution of inactive special districts by resolution, unless the Commission determines that a district does not meet the criteria set forth in GC 56042. Additionally, the Commission is required to notify SCO if it determines that district does not meet the dissolution criteria in GC 56042. Once the dissolution process is complete, please inform SCO using the contact information on page 2.

The enclosure lists the special districts within your jurisdiction that are inactive, based on financial data in each special district's fiscal year 2017-18 FTR. The complete list of inactive California special districts may be found at:  
[https://www.sco.ca.gov/ard\\_local\\_rep\\_freq\\_requested.html](https://www.sco.ca.gov/ard_local_rep_freq_requested.html).
