Summary of Potentially Inactive Special Districts

Firebaugh Resource Conservation District

The Firebaugh Resource Conservation District was formed in 1951. It was intended to enable landowners within the District's boundaries to receive technical assistance services from the USDA Natural Resources Conservation Service related to improving land capabilities, conserving resources, preventing and controlling soil erosion.

The District operates pursuant to the Resource Conservation District Law Public Resources Code sec. 9151 et seq. and is governed by an elected Board of Directors. As shown on the enclosed map the District's service area and SOI are not conterminous and is primarily located in the northwestern portion of Fresno County.

The District's 2007 MSR states, "... The District is inactive and did not respond to the request for information to prepare the MSR determinations" and described in the 2011 MSR the District has two employees, one general manager and one secretary. The District's board of directors is vacant and do not meet. The 2011 MSR states, "...The District is inactive".

Silver Creek Drainage District

The Silver Creek Drainage District was formed in 1982. The District is intended to provide drainage related services for territory within its service area. The District operates pursuant to County Drainage District Act of 1903 Water Code (Sec, 5600 et seq.). As shown in the enclosed map the District's service area and SOI are not conterminous. The District's 2007 MSR states that the District is inactive and a non-user of its corporate powers. The District does not have a board or employees.
