WITH GOVERNMENT CODE SEC. 56879(b)**

WHEREAS, pursuant to Government Code (GC) Sec. 56879(a), on October 31, 2018, the California State Controller Office (SCO) notified the Fresno Local Agency Formation Commission (Fresno LAFCo) that County Service Area 18 (CSA 18), Silver Creek Drainage District, Poso Resource Conservation District, and Firebaugh Resource Conservation District, hereafter collectively referred to as the “subject special districts” and depicted in Attachment “A” attached hereto and by this reference incorporated herein, are inactive special districts; and

WHEREAS, pursuant to GC Sec. 56879(b), within 90 days of the receipt of the notice from the SCO the Commission shall initiate the dissolution of the subject special districts unless the Commission finds that the Districts are not inactive as defined in GC Sec. 56042; and

WHEREAS, on December 3, 2018, Fresno LAFCo staff issued a letter to the managers of the subject special districts notifying them that Fresno LAFCo received notice that the SCO has identified them as inactive pursuant to GC Sec. 56879(a) and if they wish to object to the Commission proceedings initiating the dissolution to provide appropriate documentation to LAFCo no later than December 24, 2018; and

WHEREAS, counsel for the Firebaugh Resource Conservation District responded to the letter to object to initiating dissolution proceedings for that special district, but did not provide sufficient evidence to contradict the SCO’s finding that this special district was inactive, nor information to contradict the inactive special district qualifications in GC sec. 56042; and
