FRESNO COUNTY, CALIFORNIA**

A REQUEST FROM THE CITY OF CLOVIS ) APPROVED WITH CONDITIONS;  
FOR APPROVAL OF THE "SHAW-DEWOLF ) WAIVED CONDUCTING AUTHORITY  
SOUTHEAST REORGANIZATION" ) PROCEEDINGS

---

**WHEREAS**, reorganization proceedings were initiated by the City of Clovis to annex approximately 340 acres to the City of Clovis and detach from the Fresno County Fire Protection District and the Kings River Conservation District for territory located on the east side of DeWolf Avenue, south of Shaw Avenue, west of Highland Avenue, and north of Gettysburg Avenue; and

**WHEREAS**, an application was submitted to this Commission by the City of Clovis as required by State Law, and the application for said proposed reorganization was accepted for filing by the Executive Officer and set for hearing on the 13<sup>th</sup> day of November, 2013, at the hour of 2:30 p.m.; and

**WHEREAS**, the Executive Officer duly gave notice of the hearing in accordance with California Government Code Section 57025, and all other applicable sections of the California Government Code, said noticing being published in the local newspaper and mailed to all property owners and registered voters in the affected territory and within 300 feet of the affected territory; and

**WHEREAS**, the notice of public hearing also gave notice that the Commission intended to waive the conducting authority proceedings in accordance with Government Code Section 56663(b)(c), if no registered voters or landowners submitted written opposition to the reorganization before the conclusion of the public hearing; and

**WHEREAS**, the Fresno County Fire Protection District and the City of Clovis have a transition agreement in full force and effect that applies to fire protection services within the affected territory on file with the Commission; and

**WHEREAS**, a Master Property Tax Transfer Agreement exists between the City of Clovis and the County of Fresno, the responsible local agencies for the exchange of property tax revenues covering this reorganization; and

**WHEREAS**, the County of Fresno submitted a letter to this Commission stating that the County has determined that the proposed annexation of the affected territory to the City of Clovis is consistent with the Master Property Tax Transfer Agreement; and

**WHEREAS**, the Executive Officer reviewed the application and prepared a report to this Commission, including a recommendation for approval upon certain conditions, said report having been mailed at least five days before the public hearing; and

**WHEREAS**, this Commission considered all relevant factors and evidence and heard all interested parties wishing to speak on said application.

**NOW, THEREFORE, BE IT RESOLVED** that the Local Agency Formation Commission of Fresno County does hereby **STATE, FIND, DETERMINE, AND ORDER** as follows:

**Section #1.** Acting as Responsible Agency pursuant to California Environmental Quality Act (CEQA) Guidelines, this Commission finds that prior to approving the proposed reorganization the environmental effects of the project as shown in the CEQA documents prepared, adopted, and submitted by the Lead Agency were reviewed and considered by staff, and determines these documents to be legally adequate pursuant to CEQA Guidelines Section 15096.

**Section #2.** This Commission finds that the proposed reorganization is consistent with LAFCo Policies, Standards and Procedures Section 210-01 through 13 (Standards for Annexation to Cities and Urban Service Districts), and the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (the "Act").

**Section #3.** This Commission determines that the City shall succeed to Land Conservation Contract No. Contracts AP136, AP-230, and AP-6273.

**Section #4.** This Commission assigns the distinctive short form designation "Shaw-DeWolf Southeast Reorganization" and approves the reorganization (annexation and detachments) subject to the following conditions of approval:

- A. The City of Clovis shall submit to the Executive Officer verification that a Right-to-Farm Covenant is required and made a part of the City's development agreement, and that this legal covenant will be recorded with the final tract map approved by the City for the affected territory.
- B. Ownership of land permitting, the annexation shall include the full existing right-of-way width of adjacent roadways.
- C. The City shall administer the land conservation contracts to which it will succeed in accordance with its adopted rules and policies.
- D. Prior to recordation, the applicant will verify that all of the rezoning conditions of approval have been satisfied.

**Section #5.** This Commission finds pursuant to the Act that the territory is inhabited and all landowners and affected agencies have not consented to the annexation.

**Section #6.** This Commission determines that mailed notice was given to all landowners and registered voters in accordance with government code section 56663(b)(c).

**Section #7.** This Commission determines that no written protest was received prior to the conclusion of the hearing and, therefore, no election or further proceeding is required by the Commission.

**Section #8.** This Commission's actions approving this reorganization shall expire one year from the date of this Resolution unless all proceedings are complete, including compliance with all conditions of approval, terms and conditions, and the issuance of a Certificate of Completion by the Executive Officer.
